HIGHER EDUCATIONAL AIDS BOARD

Tuition Grant Maximum Award

[LFB Paper #531]

Motion:

Move to eliminate the maximum grant statutory language under the Wisconsin tuition grant program and permit the Higher Educational Aids Board to set the maximum grant award if the Board determines, to the best of its ability, that increasing the grant maximum would not decrease the total number of grant recipients receiving an award.

Note:

This motion would eliminate the maximum grant statutory language under the Wisconsin tuition grant program and allow the Board to determine the maximum grant award if the Board determines, to the best of its ability, that increasing the grant maximum would not decrease the total number of grant recipients receiving an award. Currently, the maximum tuition grant is set at \$2,300 annually.
